(II) Expression of Opinions

The Board meetings and general meetings of the Company in 2021 were held in conformity with legal procedures. Material operational decisions were made in accordance with the required procedures and in compliance with the laws and regulations, and the Articles of Association. All of the Independent Directors voted for the resolutions with full understanding of all the matters considered by the Board of Directors in 2021 after thorough discussions and prudent consideration of such matters. The Independent Directors did not raise any objection to the resolutions of the Board of Directors and relevant matters. Meanwhile, all of the Independent Directors, who possess professional knowledge and experience, put forward various constructive opinions and recommendations regarding the strategic transformation, technology empowerment, corporate governance, business operation, financial management, appointment of senior management, internal control and risk compliance of the Company based on their own professional expertise and practical experience on the Board meetings and meetings of the Board committees in 2021. In the meetings, all Independent Directors participated in decision making of significant matters of the Company from their independent and objective position, prudently performed duties and obligations, actively participated in discussion in meetings, and proactively proposed guiding opinions in respect of resolutions considered in the meetings to leverage substantive effects, thereby maintaining the interests of the Company as a whole, while the decision-making process particularly concerned the legitimate interests of minority Shareholders. The management of the Company was able to provide responses and to implement relevant opinions, proposals and questions of the Independent Directors. No Independent Director was prevented from expressing his opinion and no opinion raised was rejected by the Company.

(III) Participation in the Work on Annual Report

In accordance with the regulatory requirements and requirements on annual report as set out in the terms of reference for Independent Directors, the Independent Directors of the Company participated in the work related to the preparation of the annual report of the Company and duly performed their duties for the auditing of the annual report for 2021. In particular, they attended annual report discussion meetings, considered the proposal for the annual report of the Company, maintained timely and thorough communication on audit progress and arrangements, audit results and audit opinion regarding the annual financial report with the accounting firm for the annual financial report, supervised the progress of the audit, received the reporting by the management of the Company on its results of operation for the year and the progress of significant events, which facilitated the progress of annual report audit in compliance with laws and relevant rules and regulations.

(IV) Performance of Duties with Due Diligence and Better Understanding on the Operation of the Company through Various Channels

In 2021, Independent Directors performed their duties with due diligence and proactively kept abreast of the operations and management of the Company through various channels:

1. Attending the meetings of the Board of Directors and Board committee meetings in person, listening to the management's report on operation and management, strengthening the driving force of transformation on operation, accelerating the transformation of business development momentum and improve the service level. Paying attention to the impact of changes in internal and external business environment, regulatory policies, customer behavior and new technological progress on the Company's operation, focusing on the annual business objectives, adhering to the main business of insurance and grasp the main line of high-quality development. Further promoting long-term incentive systems, professional capacity-building of investment management, platform-based development of health service, marketisation of technology and modernisation of corporate governance.
2. All Independent Directors and the Chairman of the Board held a separate communication meeting in Shanghai where other Directors and senior management did not participate, and conducted in-depth communication on corporate governance optimization, professional manager assessment, scientific and technological information empowerment, product service innovation, investment and research platform construction, risk compliance management, corporate culture construction and other aspects.
3. Independent Directors got a full picture of the operation and management of the Company through reviewing the monthly financial statements, directors' and supervisors' monthly briefs, monthly audit reports, capital market newsletters, and internal press and information published by the Company and other information and data about operations and management released from time to time, and communicated with the management on operating issues concerned if they deemed necessary.
4. In addition, some independent Directors also listened to the layout of the health care industry, the C-ROSS Phase II Rules and ESG strategic planning by participating in special seminars and the annual audit work of the Company, and conducted in-depth discussions in combination with important matters in the process of the Company's operation and development to clarify solutions.

Independent Directors were of the view that they were able to thoroughly understand the operation and management of the Company through timely and effective communication with the Company through various channels.

III. MAJOR ISSUES REGARDING THE DUTY PERFORMANCE OF INDEPENDENT DIRECTORS FOR THE YEAR

On the basis of full understanding of the Company, the Independent Directors performed their duties with due diligence in an objective and prudent manner. They focused on the following major issues regarding the duty performance and expressed independent opinions on certain major issues of their concerns in accordance with relevant requirements:

In 2021, all Independent Directors attended Board meetings on time, and understood the operations and management of the Company. The Independent Directors conducted investigation and obtained information and data necessary for making decisions and made independent and clear judgment on and expressed independent opinions in favor of matters including changes in significant accounting estimate, related party (connected) transactions, profit distribution, appointment and dismissal of the senior management and remuneration and performance assessment of the senior management of the Company.

In 2021, there is no external guarantee or misappropriation of funds of the Company. During the Reporting Period, the purpose of the proceeds raised was consistent with the prospectus. For details of the proceeds raised, please refer to the section “Use of proceeds received from issuance of GDRs” in the 2021 annual report.

In 2021, there were no undertakings that the Company was required to disclose. The information disclosure of the Company was true, accurate and complete and made in a timely manner. The Company has not failed to disclose any discloseable information.

In 2021, the Company re-appointed PricewaterhouseCoopers Zhong Tian LLP as the auditor of the Company for 2021 and PricewaterhouseCoopers as the auditor for financial statements under Hong Kong Financial Reporting Standards of the Company for 2021. The Independent Directors are of the view that the appointment of the aforesaid accounting firms met the Company’s requirements for auditing work. The decision-making procedures for such appointments were in compliance with the requirements of the relevant laws, regulations and the Articles of Association, without prejudicing the interests of the Company and its Shareholders. The Independent Directors expressed independent opinions in favour of such appointments.

According to the Administrative Measures of the Ministry of Finance, the longest consecutive terms of office of the same external auditors appointed by state-owned financial enterprises shall not exceed 8 years. After completion of audit work in 2021, the Company has continuously employed PricewaterhouseCoopers Zhong Tian LLP and PricewaterhouseCoopers for 8 years, reaching the longest consecutive terms of office and shall be changed. After full understanding and review, the Independent Directors are of the view that Ernst & Young Hua Ming LLP has rich securities industry experience, has the professional qualification and good professional competence to provide audit services for the Company, and has the corresponding investor protection ability, integrity status and independence. The reasons for the change of the accounting firm are legitimate and sufficient, and the relevant review procedures of the Board of Directors are fully and properly performed. The Independent Directors expressed independent opinions in favour of such appointment.

In 2021, the Company was committed to establishing a sound internal control system in order to provide reasonable assurance of the achievement of internal control objectives, including the legal compliance of our operation and management, assets security and reliability, truthfulness and completeness of financial reports and related information, improvement of operation efficiency and implementation of development strategies for the sustainable development of the Company. The Company has conducted self-assessment of internal control as of 31 December 2021 and an audit report was issued by the auditor. The Independent Directors are of the view that the Company has established a scientific, standardised and effective internal control system. The acts of the Company regarding corporate governance, business operation, financial management, decision-making on significant events and other aspects were conducted in compliance with the internal control requirements of the Company. The internal control system of the Company was effectively implemented.

In 2021, the Board of the Company has duly performed their functions and duties under the laws and regulations and the Articles of Association. The Board played the core role in decision making of the Company by effective and standardised operation. Assembling, convening and resolutions of the Board and Board committees of the Company were in compliance with the statutory procedures, while material decision making performed necessary procedures in compliance with the requirements of laws and regulations and the Articles of Association. The Board and Board committees operated prudently and effectively. Under the leadership of the Board, the management of the Company completed the annual major operational targets and business goals set by the Board.

IV. OVERALL EVALUATION AND RECOMMENDATION

All of the Independent Directors are of the view that they have duly performed their functions and duties, and fulfilled their obligations to acting with integrity and diligence pursuant to the laws and regulations and the provisions under the Articles of Association in 2021. They actively attended Board meetings and meetings of the Board committees and participated independently and objectively in the decision-making of the Company on significant issues. In particular, they were concerned about the legal rights of the minority Shareholders. All of the Independent Directors made objective and impartial judgments on the issues to be resolved by the Board. They also performed due diligence reviews on the appointment, removal, and performance appraisal of Directors and senior management, and any other issues which might significantly affect the interests of insured parties and the minority Shareholders. This helped promote the scientificity and objectivity of the Board's decisions, and helped maintain the sustainable, healthy and stable growth of the Company.

In 2022, the Independent Directors will continue to perform their duties faithfully and diligently to play an active role as Independent Directors in safeguarding the interests of the Company as a whole and the legitimate interests of all Shareholders and promoting the healthy and sustainable development of the Company.

In 2021, under the leadership of the shareholders' general meeting and with the great support of the Board and the management, the Board of Supervisors, in accordance with the relevant laws, regulations and the Articles of Association, and with a highly responsible attitude towards regulators, Shareholders and employees, adhered to the Company's strategic objective for high-quality development, and performed its supervisory duties faithfully, focusing on finance, risks, performance of directors and senior management, and business conditions. Giving full play to the independent supervisory role, the Board of Supervisors promoted the improvement on corporate governance and the development of business compliance. The major work report of the Board of Supervisors in 2021 is as follows:

I. WORK OF THE BOARD OF SUPERVISORS IN 2021

(I) Effective Regulation of Operation of the Board of Supervisors

In 2021, the Board of Supervisors actively oversaw the impact of the pandemic, convened 5 meetings in total (including 4 on-site meetings, 1 meeting through a written resolution signed by all members), where 27 resolutions have been considered and 22 reports have been heard. Assembling, convening and decision making of the meetings of the Board of Supervisors were in compliance with the statutory procedures. All Supervisors punctually attended meetings of the Board of Supervisors, and fully expressed their opinions. Supervisors who are unable to attend a meeting in person due to official duties had appointed other members as their proxy to exercise their voting rights in accordance with the regulations. Various resolutions considered were approved and implemented. The operation of the Board of Supervisors was in compliance with rules and the decision-making was effective.

Name	Meetings requiring attendance	Meetings attended in person	Meetings attended by proxy	Absence
Current Supervisors				
ZHU Yonghong	5	4	1	0
JI Zhengrong	5	5	0	0
LU Ning	5	5	0	0
GU Qiang	5	5	0	0

Note:

1. Mr. ZHU Yonghong was absent from the 7th meeting of the ninth session of the Board of Supervisors due to business reasons and Mr. JI Zhengrong was appointed as his proxy to attend and vote at the meeting on his behalf.

On the basis of fully understanding the key businesses and operation of the Company, the Board of Supervisors carefully considered or hear to the profit distribution, financial statements, overall risk appraisal and management, development plans, compliance, the annual report on internal audit, the annual report on related party (connected) transactions, the annual report on corporate governance, consumer rights protection and other various annual reports and resolutions, and on the basis of self-technical expertise and work experience, conducted supervision and guidance with the focus on compliance, risks and audit to ensure a scientific decision-making of the Company.

(II) Fully displaying the supervisory function by Supervisors

The Board of Supervisors actively carried out various supervisory tasks in accordance with laws and regulations and closely followed the regulatory requirements to promote the sustainable, healthy and stable development of the Company.

- 1. Focusing on corporate governance and strengthening the supervision on the Board of Directors and the management of the Company.** Supervisors attended the general meetings and Board meetings, and played a role in supervising the Board, senior management and its members in compliance with the laws and regulations, the Articles of Association, the relevant rules of procedure and rules and regulations, as well as the implementation of resolutions of the general meeting, the implementation of regulatory opinions and accountability for rectification of problems. At the same time, the Supervisors supervised and evaluated the annual performance of the Company's Directors and Supervisors by means of such as information analysis, behavioural observation and questionnaire assessment, and monitored the incentive and restraint mechanism by following reports on the results of senior management performance appraisals and other means.
- 2. Strengthening financial supervision and safeguarding Shareholders' interests.** The Board of Supervisors reviewed resolutions including those concerning periodic reports and profit distribution, and paid special attention to activities that had major cash flow consequences, changes in accounting, accounting items which had a significant impact on the results of operations as well as matters which had a significant impact on owner's equity. Moreover, The Board of Supervisors duly performed its duties of financial supervision by supervising the preparation and review procedures as well as content and format of reports in respect of their truthfulness, accuracy and promptness, while keeping track of the Company's financial conditions in a timely manner through regular review of its financial reports such as monthly operation indicators.

3. **Reinforcing the supervision on internal control and improving the construction of risk management system.** The Board of Supervisors regularly received reports on the Company's internal control and risk control work, and paid attention to the progress of special works including optimization of the Company's internal control system and the implementation of major system to prevent and resolve major risks; received reports on the Company's internal audit work and the amendments to the Internal Audit Policy, continuously supervised the Board and the management to strengthen the construction and implementation of the internal control and risk management system, and promoted the Company to enhance the effectiveness of integrated risk control.
4. **Pressing ahead with regulation of the performance of duties, and developing measures for the evaluation and accountability of the performance of Directors and Supervisors.** In June, the CBIRC promulgated the Measures for the Evaluation of the Performance of Directors and Supervisors of Banking and Insurance Institutions (Trial) (CBIRC Order No. 5 of 2021), which requires the establishment of a sound evaluation system for the performance of directors and supervisors. From July to November, the Board of Supervisors amended the "Measures for the Evaluation and Accountability of Directors and Supervisors' Performance" of the Company through convening of special meetings and collection of opinions, which were implemented upon consideration and approval in December to further strengthen the standardisation and effectiveness of directors and supervisors' performance by clarifying the requirements for performance, evaluation content, application of results and accountability.
5. **Participating in thematic seminars and concerning the implementation of major business decisions.** First, the Board of Supervisors attended seminars for Directors and Supervisors to carry out exchanges and discussion with the focus on improving layout of "CPIC Home" across the country, establishing a high-quality elderly care service system, as well as the Company's ESG strategic planning framework and carbon market development opportunities, highlighting key issues for sustainable development. Second, the Board of Supervisors supervised the development strategy and business philosophy of the Company by considering the strategic plans and implementation of the Company's development, as well as paid attention to the audit and research of the relevant business of the subsidiaries.

(III) Taking active actions to join different trainings

Constantly improving performance capacity and level of duties as a starting point, the Supervisors convened special meetings to study and implement the Corporate Governance Standards for Banking or Insurance Institutions and the Evaluation of the Performance

of Directors and Supervisors of Banking and Insurance Institutions (Trial) issued by the CBIRC, to accurately take opportunities in new situation, new tasks and new requirements, and explore effective working ideas and work initiatives. Supervisors actively participated in online training of the China Insurance Association (CIA) on arrangement of new policies in the insurance industry, positioning of the duties of directors and supervisors and risks in performing their duties, and corporate governance. Supervisors researched and studied the monthly Briefing for Directors and Supervisors of CPIC to understand the policies and information related to the governance structure of the Company and the operation of the Board of Supervisors, and continuously strengthen their ideological and theoretical learning, development of business capacity and performance of their duties.

(IV) Independent Opinions of the Board of Supervisors

In 2021, the Board of Supervisors focused on the key performance of their duties and provided their independent opinions:

1. **The Company was able to adhere to maintain legally compliant operations.** The Board of Supervisors is of the opinion that during the reporting period, the Company maintained legally compliant operations and the Company's operational activities complied with regulatory requirements including those of the Company Law and the Articles of Association. The corporate governance structure was further improved. The decision-making procedures of the Board of Directors and the management were legal and valid, and the Directors and senior management were faithful and diligent in the process of operating and managing the Company. No conduct was found to have breached any laws or regulations or damaged the interests of Shareholders.
2. **Truthfulness and accuracy of the financial statements.** The financial statements of the Company for the year were audited by PricewaterhouseCoopers Zhong Tian LLP and PricewaterhouseCoopers, based on their respective independent auditing standards, who have issued audit reports with standard unqualified opinions. The Board of Supervisors is of the view that the financial acts of the Company were in strict compliance with the relevant requirements of the national relevant laws and regulations and the financial management system of the Company as well as internal control system; the procedures of preparing the financial reports of the Company were in compliance with the requirements of laws and regulations; the 2021 audit report with standard unqualified opinion as audited and issued by the auditing firms was objective and fair, truly reflecting the financial conditions and operating results of the Company.

3. **During the reporting period, the use of proceeds was consistent with that in the Prospectus.** For details of the proceeds raised above, please refer to the section “Use of proceeds received from issuance of GDRs” in the 2021 Annual Report.
4. **During the reporting period, the Company made no major asset acquisition or major disposal of assets.**
5. **Fair and reasonable related party (connected) transactions.** The Board of Supervisors is of the view that during the reporting period, the Company’s related party (connected) transactions were fair and reasonable. The consideration, voting and disclosure procedures of related party (connected) transactions were legitimate. No conduct was found to have damaged the interests of the Company and Shareholders.
6. **No objection to the report on internal control.** During the reporting period, the Company established a reasonable and effective internal control system. The Board of Supervisors reviewed the Company’s Assessment Report on Internal Control and raised no objection.
7. **Effective implementation of resolutions approved by Shareholders at the general meeting.** During the reporting period, the Board of Supervisors raised no objections to any of the reports and resolutions submitted by the Board of Directors for Shareholders’ consideration at the general meetings and supervised the implementation of the resolutions approved by Shareholders at the general meetings. The Board of Supervisors is of the opinion that both the Board of Directors and the Board of Supervisors are able to effectively implement the resolutions approved by Shareholders at the general meetings.

II. WORK PLAN OF THE BOARD OF SUPERVISORS IN 2022

In 2022, there will be great pressures and uncertainties on the work of prevention and control of the pandemic at home and overseas. Amid the more complicated and severe global economic landscape, the Board of Supervisors will continue to comply with the requirements of relevant laws and regulations and the Articles of Association, focusing on the Company's goal of "deepening reform, firmly transforming, remaining stable while making progress, creating a new high ground for high-quality development and achieving quality growth to actively and practically conduct supervision in accordance with laws and regulations, and prioritize the following aspects:

(I) Performing supervisory duties in accordance with laws

In strict accordance with the relevant national laws and regulations, the Board of Supervisors will convene meetings of the Board of Supervisors in accordance with the law, strengthen its supervision of the performance of its duties in the areas of finance, compliance and internal control by considering resolutions, listening to reports and reviewing reports, and supervise the Company's decision-making procedures and the performance of its directors and senior management personnel by attending shareholders' meetings and Board meetings, and reviewing the materials of meetings of the Board of Directors and its special committees, so as to promote the Company's adherence to the bottom line of risk.

(II) Enhancing the evaluation of Directors and Supervisors' performance

According to the requirements of the CBIRC, the Board of Supervisors will organise the annual evaluation of the performance of Directors and Supervisors based on the evaluation and accountability measures for Directors and Supervisors of the Company, learn from the practical experience of banks and insurance institutions, continuously optimise its working methods, guide Directors and Supervisors to improve their performance of duties through the effective application of the evaluation results, and promote the Board of Directors and the Board of Supervisors to regulate their own operations.

(III) Conducting research and special inspections

The Board of Directors will conduct research on relevant institutions through on-site inspections, seminars, individual interviews and access to information to grasp an understanding of Company's operation, risk compliance and internal control. The Board of Directors will implement regulatory requirements, carry out special inspections on specific matters, supervise the Company in anticipation of major risks and proactive prevention and control, and better perform the supervisory function of the Board of Directors to promote the Company's development in compliance with the law.

(IV) Advancing the self-construction of the Board of Supervisors

The Board of Supervisors will actively attend various trainings organised by CBIRC, SASAC, SSE, the Stock Exchange and other authorities to learn about relevant policies, regulations and regulatory developments and to continuously strengthen itself. The Board of Supervisors will review internal audit, financial and risk control reports and meeting materials in real time through the Company's meeting system, so as to keep abreast of all types of business management and other information required for the performance of its duties and to continuously improve the efficiency and level of supervision and strengthen its ability to perform its duties.

The Company proposes to obtain Shareholders' approval for granting a general mandate to authorise the Board of Directors to determine if the Company shall allot, issue and deal with A Shares and H Shares, separately or concurrently, according to market conditions and the needs of the Company, provided that the respective number of shares shall not exceed 20% of each of the A Shares and H Shares of the Company in issue on the date of the passing of this special resolution. However, notwithstanding the granting of the general mandate to the Board of Directors, any issue of new A Shares would require another Shareholders' approval at a Shareholders' meeting in accordance with the relevant PRC laws and regulations.

- (1) Subject to paragraphs (3) and (4) below and pursuant to the Company Law and the relevant regulatory stipulations (as amended from time to time) of the places where the shares of the Company are listed, the Board of Directors shall be granted a general and unconditional mandate to exercise all the powers of the Company to allot, issue and deal with new shares during the Relevant Period (as hereinafter defined) and to determine the terms and conditions for the allotment and issue of new shares which include, without limitation, the following terms:

APPENDIX XI REPORT ON THE STATUS OF RELATED PARTY TRANSACTIONS AND THE IMPLEMENTATION OF MANAGEMENT SYSTEM FOR RELATED PARTY TRANSACTIONS FOR THE YEAR 2021

(4) Regular Audit on Related Party Transactions

According to the requirements of the former Administrative Measures of the CBIRC, the Audit Center of the Company conducted special audits on the soundness, rationality and implementation effectiveness of related party transactions and internal control from January to December 2021.

4. CHALLENGES IN THE COURSE OF MANAGING RELATED PARTY TRANSACTIONS AND MEASURES TAKEN

In recent years, the Company has attached great importance to the management of related party transactions, continued to improve the construction of systems and mechanisms, and continuously met the new requirements of regulatory authorities. As a company listed in three places and subject to industry regulation, the release and implementation of the New Administrative Measures of the CBIRC and the amendments to the Rules Governing the Listing of Stocks on the Shanghai Stock Exchange in 2022 put forward higher requirements for the management of related party transactions. The regulatory authorities have made great emphasis on the objectives of strictly controlling the scale, substantive penetration and preventing the risks caused by improper transfer of benefits, which significantly improved the Company's requirements for active management and systematic construction. The management of related party transactions of the Company has become more difficult.

In order to effectively implement the regulatory requirements, the Company will further improve the internal control mechanism of related party transactions, focus on the compliance, fairness and necessity of related party transactions, and vigorously improve the information management level of related party transactions.

Firstly, the Company will accelerate the improvement of mechanism. With the goal of fully implementing regulatory requirements and strengthening internal management, the Company will comprehensively adjust and revise the organizational structure, standards and internal review of related party transactions of the Company in accordance with the New Administrative Measures, further clarify the management responsibilities of related party transactions, and adjust and improve the management process of related party transactions.

**APPENDIX XI REPORT ON THE STATUS OF RELATED PARTY TRANSACTIONS
AND THE IMPLEMENTATION OF MANAGEMENT SYSTEM
FOR RELATED PARTY TRANSACTIONS FOR THE YEAR 2021**

Secondly, the Company will strengthen active management. The Company will strengthen the communication and publicity of the Company's related party reporting responsibility subjects, and urge related parties to declare related relations in a timely, accurate and complete manner. The Company will continue to improve the mechanism for active verification of related party information and the internal information transmission mechanism to ensure the fulfillment of the Company's active management responsibilities and lay a solid foundation for the completeness of subsequent related party transaction identification.

Thirdly, the Company will improve the system capability. The Company will actively promote the systematic management and control of the whole process of related party transactions, strengthen the systematic support of the whole process of related party information maintenance, related party transaction identification, review and monitoring, data statistics reporting, disclosure reporting, etc., comprehensively improve the intelligent management level, strengthen the accuracy and data processing capabilities of all links of related party transaction management, and improve the risk and technology prevention capabilities in the field of related party transactions.
